2. TERMS AND DEFINITIONS USED

2.1 There are a total of 26 definitions listed within the Regulation and it is not appropriate to reproduce them all here. However, the most fundamental definitions with respect to this Policy are as follows:

- **"Group"** - Iute Group AS and its affiliated companies.
- **"Controller"** - the natural or legal person, public authority, agency or other body which, alone or jointly with others, determines the purposes and means of processing Your Personal data.
- **"Personal data"** – any information that concerns You, including information obtained from public databases and public channels and information lawfully obtained from third parties, through which You can be identified directly or indirectly, in particular by an identifier such as names, Personal ID No., location data, phone, e-mail or one or more markers specific to Your identity.
- **"Processing of Personal data" or "Processing"** – any action or set of actions that can be performed on Your Personal data by automatic or other means, such as collection, recording, organization, storage, adaptation or alteration, retrieval, consultation, use, disclosure or transmission, dissemination, update or combination, blocking, erasure or destruction of data.
- "Consent"** any freely given, specific, informed and unambiguous indication of the data subject's wishes by which he or she, by a statement or by a clear affirmative action, signifies agreement to the processing of personal data relating to him or her.
- **"Pseudonymization of Personal data"** – the processing of Personal data in such a manner that the Personal data can no longer be attributed to a specific data subject without the use of additional information, provided that such additional information is kept separately and is subject to technical and organisational measures to ensure that the Personal data is not attributed to an identified or identifiable natural person. Pseudonymized data still constitutes Personal data.
- **"Anonymization of Personal data"** – the processing of Personal data in such a manner that the Personal data is altered so a data subject can no longer be identified directly or indirectly, either by the data controller alone or in collaboration with any other party. Anonymized data does not constitute Personal

data.

- **“Regulation”** – General Data Protection Regulation (EU) 2016/679.

3. GENERAL PRINCIPLES OF PROCESSING PERSONAL DATA

- 3.1 We Process Your Personal data pursuant to the principles of the Regulation and by applying applicable law, including the “On the Personal Data Protection” Law, ” On Risk Management in the activities of NFBI”, ”On the Prevention of Money Laundering and Terrorist Financing “ Law etc., this Policy and the terms and conditions of the agreements entered into with You.
- 3.2 We process Your Personal data in a reliable and confidential way. We respect each person's right to the protection of their Personal data, and we shall do our best to ensure that Personal data collected by us is well protected. We regularly evaluate the risks associated with the Processing of Personal data and shall apply appropriate mitigation strategies to hedge risks.
- 3.3 Data protection is an integral part of our services and is overseen by our data protection officer. We ensure that our employees know and comply with the requirements of data protection. We expect, instruct and train our employees to respect our privacy requirements.
- 3.4 We process Your Personal data lawfully and purposefully. We set clear goals for the Processing of Personal data and process Personal data for these purposes only. We do not collect or process the data that we do not need. We have the right to delete/blur or use other ways to make data/documents presented to us unreadable that are not necessary for the provision of our services.
- 3.5 We process Your Personal data in a transparent and fair way. We ensure an appropriate secure, honest and lawful manner of processing Your Personal data to prevent the unauthorized disclosure or inappropriate use of Your Personal data.
- 3.6 We shall store Your Personal data only for as long as the retention of data is required by applicable law or the agreement or is necessary for the provision of our services and/or our legitimate interest. At the end of the retention period, we shall permanently erase Your Personal data or anonymize it.
- 3.7 We do our best to make sure that Your Personal data which we process is accurate and limited to what is necessary.

4. HOW WE COLLECT YOUR PERSONAL DATA

- 4.1 We may collect Your Personal data for further Processing in the following cases:
 - 4.1.1 if You contact us via any Available Channels to request information about our products and services;
 - 4.1.2 if you visit and use our Website or MyIute app;
 - 4.1.3 if, for certain data, a written consent is required by law, the consent will be requested from You either in the offices of the Controller, our partners premises, or in case of channels made available electronically, by You ticking the appropriate box(es), in which case it is considered that You have been informed and clear regarding personal data processing and the consent is given freely by You;
 - 4.1.4 by conducting inquiries through public registers, such as the Central Credit Register and, if applicable, other relevant databases the Register of Bank Accounts and Safe Deposit Boxes established and maintained by Bank of Albania, the National Social Security Institute, the National Population Database at the Ministry of Regional Development and Public Works, the Ministry of Interior, etc. and other publicly accessible source.
 - 4.1.5 if Your Personal data is made available by You during the validity of an agreement with the Controller for provision of services or financial products;
 - 4.1.6 if You respond to or give consent for our general or direct marketing campaigns, for example by filling out a questionnaire or submitting data electronically;

4.1.7 if other legal entities, including partners, make a permitted transfer of Your Personal data to us.

5. WHAT PERSONAL DATA WE COLLECT

5.1 For the purposes of concluding and performing a loan agreement or any other agreement with You, we process Your Personal data regarding Your identity and other necessary data. Without this data, we would not be able to provide the relevant services. If You do not provide us with identification data, we would not be able to enter into a loan or any other agreement with You.

7. PROFILING AND AUTOMATED DECISIONS

- 7.1 We may also process Your Personal Data based on profile analysis and automated decision-making, which uses Your profile data (personal information, creditworthiness data and economic identity data). Processing is fair and transparent and takes place without discrimination between You and other customers under grounds of conclusion/fulfillment of an agreement and our legitimate interest.
- 7.2 We use profile analysis and automated decision making because they potentially allow for greater consistency or fairness in the decision-making process (e.g. by reducing the potential for human error, discrimination or abuse of power), reduce the risk of non-payment by customers for goods or services (e.g. through the use of a credit rating) or enable us to make decisions in a shorter period of time and improve efficiency. We also use profile analysis and automated data processing in order to send You direct marketing materials and monitor transactions for the prevention of fraud.
- 7.3 We follow the guidelines of Article 29 of the Data Protection Working Party on individual decision-making and profiling based on automated processing, which is available here: http://ec.europa.eu/newsroom/article29/document.cfm?doc_id=49826.

8. PRE-FILLING OF FIELDS

- 8.1 We may use pre-filling of the fields of Your contact details in our digital Available Channels and other systems in order to make the service more convenient. The fields are pre-filled, provided that Your Personal data have been entered in the application fields of our digital channels and other systems, and You are our customer. We will pre-fill the contact details fields with the data You submitted to us when You entered into the last service agreement. You must always check whether the information in the pre-filled fields is correct.
- 8.2 If You do not want the contacts details fields to be prefilled in our digital Available Channels and other systems, You can waive this option. Contact us via our contact details in order to do this.

9. PERSONAL DATA PROCESSING IN MARKETING

- 9.1 We, our Group companies or our other partners may process Your Personal data for marketing purposes via text messages (sms), electronic communication (e-mail), telephone calls, push notifications (via the MyIute application). If such processing is based on Your consent, You have the right to withdraw the consent at any time. If such processing is not based on a consent, You may refuse to receive such Data processing at any time as well. In order to withdraw Your consent or refuse to receive marketing materials, please send the respective message to our contact details or manage Your consents via our Available Channels.
- 9.2 The general information about our services and introductory or supplementary information or notices about changes in the terms and conditions or the price list, or information related to the performance of an agreement entered into with You (e.g. notifications about due dates of payments, debts, termination of agreements, etc.) are not deemed marketing. In general, You cannot refuse to receive such information.

10. TRANSMISSION OF PERSONAL DATA TO THIRD PARTIES

- 10.1 We will disclose and/or transmit Your Personal data:
- 10.1.1 to companies belonging to our Group in order to: (1) comply with the requirements for risk management and control; (2) organise strategic research and analyses of the market shares of customer groups, products and services and other financial indicators; (3) comply with effective prudential norms, incl. capital and liquidity requirements; (4) enter into and perform agreements and give You information about the agreements You have entered into with persons belonging to the same Group with us; (5) comply with the responsible lending principle; (6) develop and implement information systems of the entire Group; and (7) implement the due diligence measures stipulated in the laws of anti-money laundering and counter-terrorist financing; (8) transmit you marketing related information;

Personal data to the kind of third countries or territories (outside the EEA) in respect of which the European Commission has decided that protection is adequate. If there is no such decision, we will only send Personal data outside the EEA if the protection of Your rights in court is guaranteed to You and effective legal remedies are accessible in the respective country or territory. Also, the transmission described above is not done without a legal basis (e.g. performance of a legal obligation or Your consent)

12. HOW WE PROTECT YOUR PERSONAL DATA

- 12.1 We protect Personal data in strict compliance with the effective Albanian legislation on Personal Data Protection and the principles of the framework directives of the European Union on protection of information and Personal data (including Regulation (EU) 2016/679).
- 12.2 Your information is stored on our secure servers or on secure servers of our sub contractors or business partners (or in certain cases the information is also stored on paper, subject to the necessary protections). The information is available and used in accordance with our security policies and standards (or those of our subcontractors or business partners), always in compliance with the effective legislation and the necessary protection measures.
- 12.3 Although we cannot guarantee that the transmission of data over the Internet, Website or MyIute is free from the risk of cyber-attacks, we and our business partners work hard to maintain measures for physical, personal and documentary protection and protection of automated information systems with regard to Your data in compliance with the effective legislation. For example, we apply the following measures:

13.3 In certain circumstances, we may retain Your Personal data for longer periods of time in order to have an accurate record of Your relations with us in the event of complaints or disputes or if we reasonably believe that there is a possibility of litigation in view of which Your Personal data will be needed.

13.4 Storage periods are based on our business needs and in accordance with the effective legislation. Personal data that is no longer needed shall be pseudonymized or anonymized or erased/destroyed.

14. COOKIES

14.1 Processing of cookies:

Cookies are small text files that some websites store on Your computer or mobile device when you visit that page. They allow a website to remember your actions and settings (such as login, language, font size, and other settings on the screen), so you don't have to enter settings every time you visit that page or browse different pages.

14.1.1 Cookies and Consent Management

Our site may use cookies to improve the user experience. Your Internet browser stores cookies on Your computer for the purpose of storing data on page visits. You can choose to decline cookies in Your online browser settings or receive a warning each time cookies are sent. If You select this option, some parts of the website may not work as intended.

Additionally, our websites and the MyIute app implement cookie banners and consent options, allowing users to manage their preferences. Non-essential cookies (e.g., analytics, marketing) require explicit consent and can be modified via the banner or settings within the app.

14.1.2 C Third-Party Analytics and Marketing Cookies

(a) Analytics Cookies

(i) Google Analytics

We use cookies from the Google Analytics platform to collect anonymous statistics on demographics and interests. These reports aggregate data rather than identifying individual users, helping us optimize the content on our site and create targeted ads for specific groups. Visitors can disable Google Analytics from displaying ads and custom ads on the Google Display Network.

Google Analytics cookies allow us to collect anonymous information about user behavior on our site. The information collected does not contain personal data and is transmitted and stored on Google software in accordance with Google's privacy policy.

14.1.3 Remarketing and Advertising Cookies

(a) Google AdWords Remarketing Platform

We use cookies for online advertising through the Google AdWords Remarketing Platform. These cookies enable us to display ads to you after visiting our site, whether on Google Search or the Google Display Network. They also help us analyze the effectiveness of impressions, advertising interactions, and related site visits. You can adjust Google ad display settings through your Google account.

(b) AdForm Remarketing Platform

We use AdForm cookies for online advertising, which enables us to show you targeted ads on the AdForm Display Network after visiting our site. These cookies help us analyze the impact of impressions, interactions with advertising, and user behavior. You can manage your AdForm ad preferences through their privacy settings.

(c) Facebook Marketing and Remarketing Platform

Our website uses cookies from Facebook for marketing and remarketing purposes. These cookies enable us and third-party vendors, including Facebook, to display advertisements to you after you visit or interact with our site. Ads may appear on the Facebook platform, and cookies are used to analyze interactions with advertisements to improve their relevance.

14.1.4 Engagement and Usability Cookies

(a) Microsoft Clarity

We use Microsoft Clarity on our website to analyze user behavior and enhance the usability of our site. Microsoft Clarity sets first-party cookies to gather session data, link multiple page views into a single session recording, and identify first-time visitors. These cookies help us better understand how users interact with our website.

If cookies are disabled in your browser, Clarity assigns a unique ID to each page view, which may limit its ability to link page views into a single session. Microsoft Clarity cookies do not collect personally identifiable information and are used solely for performance analysis and usability improvement.

(b) OptinMonster

Our website uses OptinMonster cookies to enhance user engagement and deliver personalized marketing campaigns. These cookies track user interactions with pop-ups, forms, and other on-site tools, to deliver tailored content, avoid repetitive campaigns, and ensure messages align

with user preferences. While these cookies collect anonymized behavioral data to improve the relevance and timing of promotional messages, they do not collect personally identifiable information unless voluntarily provided by the user (e.g., via form submissions).

14.2 Turning cookies off

14.2.1 You can turn off the remarketing option by visiting the links below:

- (c) For AdForm: <https://site.adform.com/privacy-center/platform-privacy/opt-out/>

14.3 Managing and deleting cookies:

14.3.1 You may accept or decline cookies by changing Your browser settings. If cookies are disabled, You may be unable to use all interactive features of our website.

14.3.2 Most current browsers allow You to control cookies through the saved browser settings.

14.4 Cookies help us:

14.4.1 To make our website work according to Your expectations;

14.4.2 To remember Your settings during visits;

14.4.3 To constantly improve our website for You;

14.4.4 To improve our advertising efficiency.

14.5 We do not use non-essential cookies for:

14.5.1 the collection of identifiable Personal data – we will always ask for Your explicit permission if we ever want to collect such information;

14.5.2 the collection of Your sensitive Personal data without Your explicit consent.

14.6 The use of cookies falls into several categories:

14.6.1 Cookies for Essential Website and App Features:

We use essential cookies to ensure the core functionality of our website and MyIute app. These cookies are necessary for the proper operation of our services and enable critical features such as secure login, navigation between pages, and remembering your preferences during a session.

For example:

- Essential cookies keep you securely logged in as you navigate through different sections of the website or app, preventing the need to re-enter login credentials for each page.
- They help maintain the stability and security of the site, ensuring it performs optimally across devices and browsers.
- Certain preferences or selections (e.g., language or region) are temporarily stored to improve your browsing experience during the session.
- These cookies do not collect personal information for marketing purposes and are automatically deleted once you log out or close your browser or app session.

14.6.2 Analytical cookies:

Analytics programs use cookies to collect statistical data that help us improve our website. Unless You provide us with explicit information by filling out a form or calling us, all data collected by analytics programs is stored anonymously and we see only general values and not specific individual data.

Examples include:

- How You got to our website (e.g. from a search engine, advertising, etc.);
- The actions that You perform on the website, such as the number of pages viewed, the time spent on a page, on which page visitors left the website;
- How often You return to our website;
- Technology used by visitors (e.g. browser, operating system, device, etc.).

14.7 To learn more about cookies in general and how to manage them, please visit www.aboutcookies.org.

15. YOUR RIGHTS TO PERSONAL DATA PROTECTION

15.1 You have certain rights regarding Your Personal data, such as the right to:

- 15.1.1 ask us to provide You with additional details on how Your data is processed;
- 15.1.2 ask us to give You access to Your Personal data and to provide You with a copy of it;
- 15.1.3 receive Personal data that concerns You and that You have provided to us in a structured, widely used and machine-readable format and – where technically possible – to transfer this data to another controller without hindrance if the processing of Your data is based on Your consent or agreement and is performed by automated means;
- 15.1.4 ask us to update any inaccuracies in the data that we store and to correct / update the same;
- 15.1.5 ask us to erase or anonymize all data about You for which we no longer have a legal basis to process;
- 15.1.6 when the processing is based on consent and in connection with marketing, You may withdraw Your consent in order for us to stop that particular processing henceforth;
- 15.1.7 object to any processing for the purpose of automated individual decision-making (including profiling) when it significantly affects You, while You have the opportunity to exercise Your right to request human intervention by the controller, the right to express Your views and to challenge the decision;
- 15.1.8 ask us to limit the processing of Your data, e.g. while a complaint is being investigated;

15.2 Procedure for exercising these rights:

- 15.2.1 You may submit a request for exercising Your rights to the Contact Person in one of the following ways: on site, by mail (including e-mail), phone or as referred to in section 1 above.
- 15.2.2 Each one of Your applications, inquiries or requests is accepted with an incoming number, while it is reviewed, we verify Your identity and the right that You want to exercise, and we answer within **one month of receipt**. In more complex cases or during the receipt of numerous requests, this period may be extended **by another two months**, of which we will inform You. In the event that there are reasons to reject the request, we will state these reasons to You in writing.
- 15.2.3 The exercise of these rights is subject to certain exceptions, for example when public interest must be protected (e.g. in preventing or detecting crimes), or our legitimate interests, or the rights

and freedoms of others.

- 15.2.4 If You have any questions on the processing of Your data, **please contact us via the contact details provided in section 1 above (Monday through Friday from 08:00 a.m. to 04:30 p.m.).**
- 15.2.5 If you disagree with our initial response to your request, you may request an internal review by escalating your case within our organization. Our Data Protection Officer will reassess your petition before any further action is taken.
- 15.2.6 If You are not satisfied with the processing of Your data or with our response in exercising these rights, You have the right to file a complaint to **the Commission for Personal Data Protection** at: ADDRESS: "Abdi Toptani" Str., Building no. 5, Postal Code 1001, Tirana website: info@idp.al. **Please try to resolve the issue with us beforehand**, although You have the right to contact the Commission for Personal Data Protection at any time.

16. AMENDMENT OF PERSONAL DATA AND TERMINATION OF PERSONAL DATA PROCESSING

- 16.1 Inform Us immediately of any changes and inaccuracies in Your Personal data submitted to us. At our request, submit to us a document that proves the changes in Your Personal data (e.g. name change certificate).
- 16.2 We endeavour to do our best to regularly check that Your Personal data is complete and correct.

17. POLICY UPDATE

We may make changes to this Policy from time to time. Changes to this Policy will take effect when the revised Policy is published on the Website, and an update notification will be posted on the Website. We notify updates to this Policy exclusively via our website and the MyIute app. Users are encouraged to regularly review these platforms for the latest privacy information.
